

**Memorandum of Understanding
Between
San Leandro Unified School District
And the
San Leandro Teachers Association
Working Group on Working Conditions for Nurses
2022-2023**

SLUSD and the SLTA will form a working group composed of the nurses and administration to better understand the working conditions of nurses in SLUSD, identify areas where workload issues should be addressed, identify potential solutions and make any needed Recommendations.

The working group will consist of three representatives selected by SLTA and three representatives selected by SLUSD. SLTA participants will be paid at the hourly rate.

The goal of the working group would be to make recommendations to the bargaining teams no later than the end of December 2022.

This MOU is in effect only for the 2022-2023 school year, unless extended by mutual agreement by both parties.
